

PLEASE JOIN US FOR

*a night of elegance*

## FOR A CAUSE

We are delighted to invite you to an unforgettable evening in support of the Mater Foundation's "Smiling for Smiddy", raising vital funds for cancer research.

Join us for a multi-course dining experience, expertly paired with a curated selection of eight premium wines including the Flagship Collection from the iconic McLaren Vale winery, Wirra Wirra. Throughout the evening, Wirra Wirra Market Manager Mark Craig will be on hand to talk us through the wines!

All proceeds from the evening, including raffle ticket sales, will go directly to support cancer research through the Mater Foundation.
